

# ERIN J. PARQUET \* GRAPHIC DESIGNER WEB DESIGNER

## \* OBJECTIVE

To obtain a career position with a progressive company where i can utilize my expertise in graphic design to produce innovative print and web marketing materials.

## \* ABOUT ME

Creative, self-motivated, self taught graphic artist and graphic/web designer

During my career I have held a leadership role with the largest corporate parcel company, Fed Ex as well built a good reputation as a freelance graphic designer servicing clients nationally. My skill-set includes contract negotiation, project management, project design, graphic design and problem solving.

. Working with clients, briefing and advising them with regard to design style, format, print production and timescales.

. Developing concepts, graphics and layouts for product illustrations, company logos, and websites.

. The clients I have designed for have been impressed with my ability to capture what they wanted and bring it to life for them.
